

Konrad Malinowski, MD yet again took part in a conference as a lecturer and coach in arthroscopy technique improvement.

From March 31st to April 2nd, 2011 the 6th Arthroscopic Workshops "Shoulder Arthroscopy" were held in Glucholazy. Konrad Malinowski, MD, founder of "Artromedical", was one of the coaches conducting workshops for orthopaedists who wished to improve their skills in arthroscopic techniques of shoulder treatment.
